Eligibility Evaluation

The information gained from the academic history and standardized testing is used to determine whether a child satisfies the academic requirements for enrollment at P.K. Yonge Developmental Research School. P.K. Yonge's admissions process promotes a representative sample of public school enrollment based on gender, race, socioeconomic status and academic ability. Students applying for grades 6 through 12 who have not achieved a minimum grade point average of 2.0 overall may not be eligible for admissions. Additionally, students applying for grades 10 through 12 who have not earned the required number of credits necessary to be classified for the appropriate grade level are ineligible for admission.

Acceptance for Admission

When a student is selected for admission, a letter of invitation and the Activity Form will be mailed to the parents of the student. The letter will state a deadline within a 10-day period to respond and pay the activity fee.
