M&M Rectangles!

© 2007 Mars, Incorporated and its Affiliates. All Rights Reserved

Mandy and Tom decided to make rectangles with their M&M's.

What are all of the similarities and differences in the RECTANGLES mathematically?
(Hint - Area and Perimeter!)

Show the math AND summarize your findings (using words).

[Explain it step-by-step!]

[First, I ... Then, I ... Then, I ... Finally, I ...]
