

Unit #2

Topic: Introduction to World Culture

Guiding Questions:

What is Culture?

What does culture have to do with me?

How are cultures shared universally?

This unit will introduce students to the concepts, ideas and skills used by geographers in their exploration of the world. First students will examine culture. First looking to their backgrounds students will use prior knowledge, and research strategies to discover, and explore how culture is exemplified in their day-to-day life.
