

The PSAT will be given at PKY on Wednesday Oct. 17th, 2007. The PSAT is an indicator for performance on the SAT. It includes verbal, math and writing components and is a diagnostic tool that measures strengths and weaknesses.

The PSAT is instrumental in identifying the untapped potential in each student and the results can open up discussion about future educational plans. All 10th grade students are strongly encouraged to take the PSAT. The legislature has appropriated funds for this testing, so there is no fee for 10th grade students. Parents have the opportunity to exempt their children from the PSAT. Please call Mrs. Ireland if you want your child to opt out of this test.

The PSAT is used as the qualifying test for the National Merit Scholarship Program (NMSQT). As you must be a Junior to be eligible for the National Merit Scholarship Program all academically strong Juniors also need to take the PSAT on Oct. 17th. There is a \$16.00 fee for Juniors to be paid in the business office.
